Notice the different styles of the Green color application. Uniformity, Uhhh...

Do you want to get more out of your modeling? We invite you to read more interesting stories and facts about these and other A/C of this unit in our suggested references.

Why just building one A/C Model instead of a collection of these as well as other units featured is the AMD/ESP Range? Why not adding a little of history to your hobby? Units like the Blue Nose Bastards, the 353rd Checker Noses, Checkertails, the 357 FG (Red/Yellow checker noses), the 405 FG and others featured in our extensive decal line. Little touches like these will make the difference between a collection of models and a classic collection. Visit our Web site and enjoy the thousands of choices we offer you for your enjoyment. Remember, experience the difference with AMD/ESP.
