DRAW Decal Set 48s-Cessna-5 "DON'T SHOOT" O-2

"Civil Decals for the Civilized"

Recommended Kit:
1:48 Testors Cessna O-2

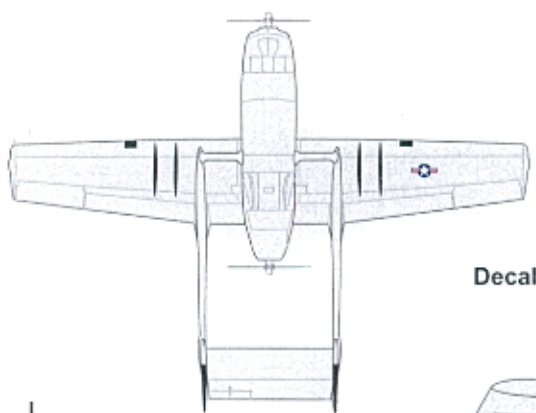

1/48 Scale

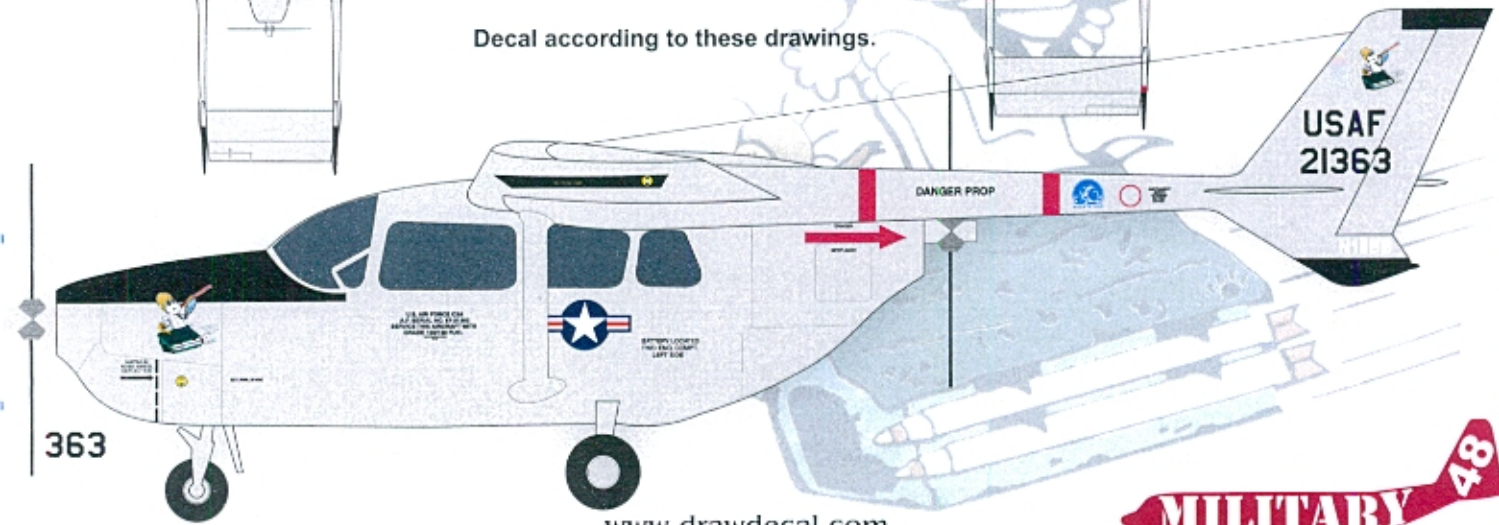

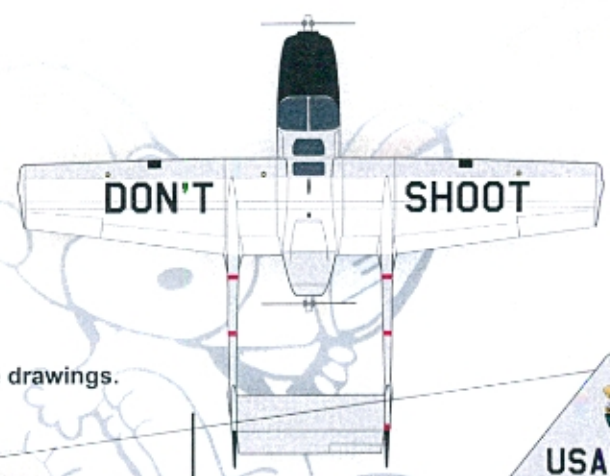

Decal depicts the Cessna O-2 currently residing at the Museum of Flight Restoration Facility at Paine Field, Washington. This aircraft is in flyable condition, and some photos of it appear on airliners.net Paint the upper wings matt white, then the remaining fuselage is a mix of ADC Gray (FS 16473) as a base with a bit of gloss white added, a little at a time will lighten up the color and it will be spot on. Then paint the black glare shield next.
