

tasdec7205 Landsverk M38

this set provides decals for 1 vehicle but with 2 marking options.

these markings are of the command vehicle of the "1 esk paw" (first squadron armored cars)

1 the interwar period

2 the same vehicle during the german invasion of 1940.

for option 1, use the bleu licence plates and national flags.

the white 7 on both sides in the middle of the door, front, back, and on the turret sides.

for option 2, Placement of the licence plates was

the same as before 1939. The black outlined orange triangular nationality marking was placed on both

sides, on the rear and on the front over the grille. In all cases pointing upwards.

One triangle was placed on the top of the bonnet, pointing forward.

photo's show that the white numbers where on the front and rear of the vehicle. the sides are not shown on the photos however it is possible some vehicles had them also on the sides as in the inter war period.
